

We wanted to write you concerning our KLOVE radio station and to let you know that they serve, us, as residents of the local community with uplifting and positive information over the airwaves, commercial-free and which is funded totally by the listeners. If K-LOVE were to be displaced by an LPFM broadcaster providing other programming, we think that it would be detrimental to the well-being of our community because of their positive message and good moral values they bring into our homes would no longer be provided. We believe th the service provided by K-LOVE is needed in a country where hardly anything in the way of media, whether by radio, TV or newspaper , is uplifting and encouraging to it's people. We have thouroughly enjoyed receiving this station. Please keep 91.1 FM in our area on the air. Thanks for hearing us out. Sincerely, Nick and Linda Francisco
